Treasure Valley Intergroup Newsletter

From the editor's desk

July 21, 2022

Hello friends!

I've been recovering from a series of surgeries these past few months, and mostly looking out at summer through the window. It's easy to become morose, wondering why I must miss out on a garden this year, or why I can't play on the river, but I try to keep in mind that something good will come of this time—God's time.

One thing I love about summer is that the long days give forth to fun events, and this month's newsletter is packed full of exciting opportunities for fellowship and fun, from the new Linder Group meditation meeting (page 18) to the Annual Treasure Valley Speaker Banquet (page 25), and many others.

Be sure to check out Bob S. thoughtfully composed article on Step 8 (page 12), as well as Brenda M.'s piece reviewing what AA means by an informed group conscience. And don't miss the call for group history information from the Area 18 Archivist—history is happening all around us and right now.

I hope you enjoy this month's issue!

Warmly,

Ellie D.

June 7, 2022, Steering Committee meeting Report to Intergroup

Had a report from Devin B. of Northwind about services available from Microsoft for Non-Profit users.

10 free licensed email addresses. We are continuing to discuss how those will be used

Free cloud storage through their Share Point program. This will allow all documents to be stored in one place allowing employees to see the same document regardless of which office computer is used.

We voted to agree to receive a quote from Northwind for the installation of this service. The up-front cost of installation and implementation will ultimately lead to long term savings. We will bring this proposal to Intergroup, most likely at the July meeting.

Co-chair Marya reported that the store looks great. It has been painted, inventory rearranged, new pamphlet racks are ready to be affixed to the wall. A Step 6 basket is there and ready to be gifted to a customer. In response to AA members' requests, we now have birthday cards up to 50 years.

Chuck may have a replacement for himself as District 5 representative on Steering Committee.

Have planned to conduct a store inventory on July 17, beginning at 10:00 am.

Declined to have Central Office inventory available at the Gem State Roundup, trying to limit the number of Saturdays the store is closed.

Discussed and agreed that the translation equipment recently donated will not be insured and a deposit will not be required when checked out.

There will be a meeting once a month with Co-chair/Liaison and store staff.

Made it store policy that no one may remain in Central Office outside regular store hours.

Yours in service,
Capella I., Chairperson
TVICO Steering Committee

CONGRATULATIONS!

Step Eight—Freedom

I was hesitant and puzzled when I began my Eight Step list because what about people whose feelings might be hurt or might harmed if I admitted all—my Step Four inventory had several of those. Luckily, my sponsor informed me that Step Eight is not Step Nine, and I should not leave these activities off my list. But obviously, this did not mean that I make these harmful amends while doing Step Nine. This information may be useful in asking God for forgiveness in a later step.

My Eighth Step information came mostly from my Step four inventory, but also my sponsor had me do a spontaneous writing earlier on. This included asking God over and over again to reveal where I had been selfish and dishonest—not just from regular memory, but from my deepest inner self. *Spontaneous!* This function brought to light many secrets I had kept from myself for many years. *They needed to be written down!*

I had seldom even considered the anguish my wonderful Christian parents must have felt to see their son's name in the newspaper for public intoxication year after year. Or my younger sister who, four years later, attended the same high school with my devil may care reputation still remembered by the teachers. I had never felt guilty about that loan company I had never paid back or the time when I, as a teen, tried out a motorcycle from a used a lot and wrecked it. I was able to wobble it in and jumped on my bicycle and away I went.

There was a temptation to leave out certain of my misbehaviors because, after all, I had been sober for five whole months, and intended *never to drink whisky again!* I was obviously now in the category of what is called “living amends!” How my sponsor pointed out that the Big Book makes no mention of “living amends;” it actually dispels that idea at the bottom of page 82—“*Ain't it grand the wind stopped blowin'?*”

I believe the honesty revealed in my Eighth Step list was a vital and crucial part of my recovery.

Bob S.

Alcoholics Anonymous and the Value of an Informed Group Conscience

What does it mean when we use the words: "Informed Group Conscience" in A.A.? Well, it begins with Tradition Two which states: "For our group purpose there is but one ultimate authority - a loving God as he may express himself in our Group Conscience. Our leaders are but Trusted Servants they do not govern."

A Group Conscience is the collective conscience of the group membership. Sometimes these can occur quickly with immediate on-the-spot motions, and a majority vote, usually based on whose voice can gain the majority agreement. This is used for simple and or routine decisions.

An INFORMED Group Conscience is also a collective conscience of group membership, however is used for issues that are controversial or complex and also implies that all pertinent information for the topic is identified, presented, reviewed, and AA principles, Traditions, Concepts, and when necessary legal instruments like Bylaws, Articles of Incorporation, and State Regulations have all been consulted and discussed before a vote is taken.

This is a slow process. The minority opinion is heard with open-mindedness. Instead of a majority vote - the result of an INFORMED group conscience is substantial unanimity and a feeling of common agreement . . . a spiritual bond is formed and everyone accepts the results of the vote leaving everyone wanting to move into the direction of the decision because the process of arriving at an Informed Group Conscience was honored. This process creates Unity.

So, sometimes a Group Conscience is arrived at for real quick decisions, like "can we purchase 12 oz. cups instead of 8 oz. cups?" Then there are Major Policy decisions that need to be made. Yes, in A.A., each group is autonomous "except in matters affecting A.A. as a whole."

But how do we discern which decisions will "affect A.A. as a whole?" When it comes to our General Service work, of course Bill W. of has an answer! In his "A.A.'s Legacy of Service", he says: "Our 12th Step - Carry the Message - is the basic service that the A.A. Fellowship gives; this is our principle aim and the main reason for our existence . . . Concerning any given service, we therefore pose but one question: 'Is this service really needed?' If it is, then maintain it we must, or fail in our mission to those who need and seek A.A."

Sometimes, yes, sometimes, as much as I love Service in Alcoholics Anonymous, I must say, it is not fun to go through the process of presenting information, facts, guidelines, or non-profit corporation law. Others do not always want to hear it. It is not fun, but it needs to be done... for the future generations of AA, and the Alcoholic not yet born. Seeing my dad and my brother die of this disease, the "not fun" parts are totally, totally worth the investment of the value of an Informed Group Conscience.

I would invite us all to take a deep breath and consider the value of an Informed Group Conscience in the next few months

In Service,
Brenda M.

Carry The Message Project

Want to Help Another Alcoholic?

Grapevine and *La Vina* are Great Twelfth Step Tools!

Look at these 3 Easy Ways!

1. If you know the full name and the mailing address of the recipient: Give a Gift Subscription to a friend, a sponsee, doctor's offices, or for giveaways at anniversaries or events at your homegroup, district, or area level.

Follow these steps:

- ◆ Go to store.aagrapevine.org.
- ◆ Click on the Gift Subscriptions box.
- ◆ Click on the Red Gift Bag icon for the type of gift subscription you want to give.
- ◆ Click on "Go to the products page."
- ◆ Click on the number of Gift subscriptions you want to purchase (*1 gift or 2*).
- ◆ Enter your information, the recipient's information, and your payment information.
- ◆ Click on the Process Order button. You're done!
- ◆ **Note:** First renewal notices will be sent to you and if there is no response, the last ones will be sent to the recipient.

2. If you do not know the full name and the mailing address of the recipient and want Grapevine to select an alcoholic in need from the requests we have received: Give a Carry the Message Gift Certificate to someone you do not know (*such as an alcoholic in prison.*)

Follow these steps:

- ◆ Go to store.aagrapevine.org.
- ◆ Click on the Gift Certificate box.
- ◆ Click the Buy button of the appropriate Carry the Message Gift Certificate option and you will be taken to a page showing our quantity discounts (*at the bottom*).
- ◆ Enter the number of gift certificates that you want and click the Buy button. (*For multiple gift certificates, the discount will automatically be applied*).
- ◆ Click Checkout and enter your order and payment information.
- ◆ When you click the Confirm button, you will get an order confirmation email and the gift certificate will be sent to you as an individual email. Forward the gift certificate to [Sonia Dominguez](mailto:sdominguez@aagrapevine.org) at sdominguez@aagrapevine.org and we will redeem it for someone who has requested a subscription but can't afford one. (*If you have purchased multiple gift certificates, select all of them and use the Forward as Attachment option, so you only have to send us one email*).
- ◆ **Note:** Your information will not be connected to the subscription record and all renewal notices will be sent directly to the recipient.

3. If you do not know the full name and the mailing address of the recipient and would like to give them a gift certificate for them to redeem themselves for a subscription (example: A newcomer in your group.):

Give a Carry the Message Gift Certificate to a newcomer or someone in your group.

Follow these steps:

- ◆ Go to store.aagrapevine.org.
- ◆ Click on the Gift Certificate box.
- ◆ Click the Buy button of the appropriate Carry the Message Gift Certificate option and you will be taken to a page showing our quantity discounts (*at the bottom*).
- ◆ Enter the number of gift certificates that you want and click the Buy button. (*For multiple gift certificates, the discount will automatically be applied*).
- ◆ Click Checkout and enter your order and payment information.
- ◆ When you click the Confirm button, you will get an order confirmation email and the gift certificate will be sent to you as an individual email. Print and hand the Gift Certificate or email the Gift Certificate to the individual(s) you wish to donate a subscription to and they will be able to redeem the gift certificate code and enter their information themselves on the store: store.aagrapevine.org/to-redeem-your-gift-certificate..
