FROM THE OFFICE:

Things are going well at TVICO! We just had our Fall Open House and Chili Contest and we had 3 Chili winners! It was a great time for Fellowship and we are grateful for members and groups that support us and keep us open! I will be attending the Annual Central Office /Intergroup/AAWS Seminar in San Antonio in November to learn more about how other Central Offices run, and to unite with other office workers around the US. I am so excited to bring back all of the info that I learn! Thank you to Happy Hour Group and other individual donations that allowed us to purchase 2 new computers for the office! Don't forget we also have an extra computer that is available here at TVICO for either GSR or DCM reports or any other service work, for example, needing to type a report or make a flyer. We are happy to announce that we now take tap to pay and pay by phone at TVICO and look forward to visiting with you soon! Please save the date for the Holiday Open House which will be held on Friday , December 11th and Saturday December 12th! Fellowship, Food and give aways!

Kim S.

Steering Committee District Representatives Reports

- District 3 Representative: **Position vacant.**
- District 4 Representative: Jason H.
 - District 4 will be hosting a workshop about TVICO and Central Office some time in November 2026
 - Rule 62 is having a BBQ this Sunday from 11 to 3 at Middleton Park Place with great music, raffles, and food.
- District 5 Representative: Bob P.
 - A Speaker named Madeline P., a Past Delegate and Pacific Region Trustee, is coming to do a Protecting the Miracle: Safe, Sober, and Sound workshop on October 10 from 10 am to 2 pm at New Hope Church of the Nazarene at 8585 W Overland Rd. Boise, ID 83709. Sandwiches provided, please bring a side dish or dessert.
- District 8 Representative: Vicki M.
 - Fall workshop scheduled for October 24, 2026, more information to follow
 - Tech chair, Intergroup Rep, and YPAA Rep positions are all vacant
- District 9 Representative: Richard T.
 - Campout was a success.
 - Next District Meeting will be in November
 - There is a new District 11 DCM, Jeff H. They want to be involved more. There is a question about whether they should have representation in Intergroup. It is suggested to ask Marti.

Old Business

- Bob is still going to check on whether we can use checks that are donated by people and institutions that we do not know whether or not they are AA members.

New Business

- Many customers want to pay with Venmo or Apple pay. Do we want to do this? Teri says that we have had it in the past and has not been used for merchandise. **M/S/P to table to next month.**
- GSO sent us a letter stating that the 5th edition Big Book will be out in February. In response to complaints, they went back to a more expensive sleeve cover.. The cost will be \$20 per book so our price will be more. This would usually mean charging \$28 for a Big Book. We may want to look at lowering the mark up on this book. Many Central

Offices do not charge any mark up on GSO literature although this may not be possible for us at the moment. We will mark it up as usual and see if that will work for everyone.

- Do we want to order overstock on the 4th edition? Usually once the new edition comes out, the older edition will no longer be printed. When the stock is gone, its gone.. And we can give customers the option of the less expensive 4th edition until its gone. We will wait and see what will work best depending on what GSO does with the 4th Edition.

Points of Information

- The Dell All in One that was purchased is all set up. Braxton from Northwind set that computer up last week. Robert, who volunteers updating Meeting Schedule, purchased us another computer that is now also set up by Braxton at Northwind, Thank You Robert.. The old computers will be taken to an electronics recycle event when possible.
- Lori and Kim planned the TVICO Open House and Chili Contest. We will give away some prizes. In the future, we can give away a TVICO gift certificate as a prize so that we don't have to spend money out of pocket. Please plan to come to the open house and bring a dessert if possible, some people are already going to do this. We would like to ask Intergroup if we can use their supplies since this event is in place of past Intergroup events that have raised us money. We have many supplies already, just need a few things.
- Volunteer luncheon is set for November 3rd. 11:30 am . There are 10 volunteers being invited. If any of the committee would like to come, please feel free. We will order BBQ.
- Al-Anon office update: It sounds like the al-anon meetings are upset that decisions are being made about the office 'without them". So they are waking up and trying to keep the office open, More will be revealed. They however did not have the volunteers to help open their office and join us for the TVICO open house on the 19th.
- Kim is working on the Employee manual, It's going slow but its going, working on about one item a week for it, such as: typing up a sheet on how to make a time card, etc.

Meeting adjourned at 6:59 pm

My hardest challenge
was driving through

The best occurrence was
seeing my AA family in
Boise.

FROM THE FELLOWSHIP:

Dianne

Edi

My biggest challenge was my second year step six and seven we're working on me and I had no idea what was going on and I was terrified my whole second year. My best occurrence was making that change over from Los Angeles to Boise. What started out to be questionable turned out to be the best thing that ever happened in my recovery.

Kristen

this is my first October without alcohol. Halloween is my favorite holiday and I usually attend multiple parties over the week. one day at a time!

I have thinking about the questions that you asked earlier, too.

Hardest challenge - relocating in recovery and getting to know new people and new meetings.

Best occurrence - getting to know new people. Building new relationships and creating new memories

Karen

I have been sober 65 days and have never felt better or happier in my life. I am 73. Everyday I have to work hard, go to AA, Outpatient Treatment, Probation, Random urine tests and take Uber everywhere unless my boyfriend can. It's so worth it. Janet

Derrick

Janet H

Hardest challenge this month has been letting uncomfortable situations stay as they are, and not input to move (aka control) things so I "feel" more comfortable.

Best occurrence has been playing with my daughters. Having them excited to be creative with me, knowing I'm sober to play and not be "napping" because of a midday blackout.

Thank you

Tina

Hardest challenge: Having less light at the end of the day, and when I was newer in sobriety finding fun things to do on Halloween.

Best occurrence: Being present for friends and family for the Halloween holiday. Being able to slow down from the chaotic summer season and enjoy the change of seasons and the peace it can bring.

Gina

Yesterday 8:19 PM

1. Going deeper - inner child work.
2. Any bit of joy or wonder I have felt this month has been the best occurrence.

My father died October 25, 1993. Through the journey of being with him as he died helped me realize that he always loved me, but his disease of alcoholism kept him from being the father he wanted to be. I recognized that I had the same disease, but I also had the opportunity to choose recovery.

Hardest challenge: season of waiting for all the rocks I've been able to use that no longer serve me drop away. Best occurrence: sitting in the middle of Boise at Capitol Market getting my Characture Portrait done. Fell completely in love with this life.
